# 20<sup>TH</sup> HOLE ENTERTAINMENT

We are fortunate to be situated on one of the area's top golf courses, offering the ability to produce fun, quality scrambles, tournaments, outings and more. From golf simulator games & movies to wacky golf and more, we can get as mainstream or creative as your group visualizes.

We also have several event partners specializing in more outside-the-box activities including your company's own Olympic Field Day, glow golf, cornhole, putting contests, team strategy games and more! Pricing and availability vary depending on date and the size of your group; however, we would be happy to customize an option that best suits your organization's goals and budget.

## **Golf Entertainment Simulator**

The simulator has a screen that is fifteen (15) feet wide and eleven (11) feet tall! It uses a projector that is a 4K Hi-Def picture and is fantastic for playing golf, watching sporting events and movies.

Since most football games last 3 hours and 15 minutes you would rent the room for a four-hour time period (\$200) and we would configure the room to comfortably accommodate up to 10 people and all food and beverages would be served inside your private room with your "box seats".

**Included in the room rental** for games would be the group's choice of up to two (2) food items: Beef or Chicken Nachos Chicken Tenders Hero Sub-Sandwiches Cookies (2 per person) Meatballs (Honey / Sriracha or Swedish) Crudité of Vegetables Cheese & Fruit Tray Pitchers of Draft Beer would be available at a cost of \$12 per pitcher and Fountain soft drinks are included for free. Custom menus and drink choices could certainly be arranged.
